

Budget Analysis

2024 – 2025 UK

★ 1 ★

Revenue:

Revenues are budgeted to be £ 1,139 Billion in FY 2024-25, an increase of Approximately £ 81 Billion as compared to FY 2023-24 (an increase of 7.7%)

Revenue:

The primary revenue source remains consistent across both fiscal years. In the 2023-24 period, the government has undertaken measures to provide tax relief, signaling a proactive approach to fiscal policies.
